ITEM#	
Distance Measurement Range	5-2000m
Distance Measurement Deviation	±1m
Distance Measurement Unit	Yard / Meter
Angle Measurement Range	±60°
Angle Measurement Deviation	±0.5°
Field of View	7°
Magnification	8X
Objective Diameter	42MM
Exit Pupil Diameter	5.3MM
Eye Relief	16MM
Horizontal Distance	YES
Height Measure	YES
Display	PDLC
Ingress Protection Level	IP54
Battery Type	CR2-3V Lithium
